

INVITATION LETTER

10th Scientific Conference
"Students Encountering Science"
with international participation

27-30. **NOV, 2017**
Banja Luka

www.stes.unibl.org

Traditionally,

In November 2017. at University of Banja Luka, will be held 10th jubilee, multidiscipline, scientific conference Students Encountering Science – StES 2017 with international participation, new opportunity for students worldwide to present their new scientific achievements. Conference will be held in Banja Luka, from 27th to 30th November 2017.

It is our pleasure to invite you to participate in StES, to think of a work you would present and to jump into the world of science and research.

More information about conference, application and participation you can find on StES official web-site: www.stes.unibl.org or via e-mail address stes@unibl.org

StES conference

Students Encountering Science – StES is leading scientific, multidiscipline, student conference, organized by Student Parliament at University of Banja Luka, with international participation.

Goal of StES conference is to show scientific and professional achievements made by students and to show the possibility of their usage in practice, as to set their direction of further research. StES conference is the opportunity to improve student's scientific work, to promote scientific spirit of academic community, to exchange opinions and to make new friendships.

*Organizing Committee
